

## Pre-Accreditation/ Zero Visit of Human Nutrition & Dietetics Degree Program at Imran Idrees Institute of Rehabilitation Sciences (IIRS), Sialkot.

January 27, 2025

Imran Idrees Institute of Rehabilitation Sciences (IIRS), Sialkot has a purpose- built campus established by Sialkot Medical College, Sialkot for BS 4 year Programs. The land for the campus is 26 acres out of which the constructed land is 3.5 acres (150,000sq. ft.). The campus offers a range of Graduation and BS Programs for Allied Health Sciences. The campus offers four BS Programs (HND, MLT, RIT, OTT) and one, 5 years DPT program with own teaching hospital, Imran Idrees Teaching Hospital, for practice. The campus is affiliated with Government College University Faisalabad for its degree programs. Current enrollment in BS Human Nutrition and Dietetic is 174 students. There are 6 (3 MPhil and 3 DDNS) qualified faculty members in Human Nutrition and Dietetics (HND).

AIC team reached sialkot on January 26, 2025 and stayed in javson hotel. Dr. Usman Saeed joined on dinner by travelling from native town (Okara).

An Accreditation Inspection Committee (AIC) comprising of Dr. Abdul Ghaffar, Secretary NAEAC as a convener, Dr. Kashif Sarfraz Abbasi, Assistant Professor, PMAS-Arid Agriculture University, Rawalpindi, as member conducted accreditation visit of Human Nutrition & Dietetics at Imran Idrees Institute of Rehabilitation Sciences, Sialkot. Mr Muhammad Faraz Afzal, Assistant Director Coordination NAEAC also accompanied the AIC team.

Prof. Dr. Muhammad Sabir, Principal Sialkot Medical College, Prof. Dr. Shamaun Razi, Principal Imran Idrees Institute of Rehabilitation Sciences, Sialkot and Dr. Usman Saeed, HoD, HND welcomed NAEAC team. The inaugural session started with the recitation of Holy Quran. Prof. Dr. Shamaun Razi, Principal presented the salient achievements of the Institute including mission and vision. During the inaugural session Principal, HoD, Senior Lecturer and other faculty members were present. Dr. Usman Saeed, HoD, HND briefed the AIC in detail about their department working and achievements in terms of Lab facilities, Sport, Library and other allied facilities..

AIC visited labs, classrooms, library, faculty offices, QEC, ORIC and Controller Examination offices. The AIC held individual meetings with faculty members to know the level of job satisfaction and working environment of the department. AIC also interacted with students of the departments to get an insight of teaching environment course completion and status of practical conduction. In the concluding session, the program evaluator Dr. Kashif Sarfraz Abbasi shared his observations with Principal, Imran Idrees Institute of Rehabilitation Sciences, Sialkot and other faculty members. Prof. Dr. Shamaun Razi, Principal thanked NAEAC team for their long-day deliberations and inspection visit. He assured that the recommendations made by AIC would be implemented for the uplift of education standard and augment the market value of the graduates produced.
