

National Agriculture Education

Accreditation Council

PARENT AND STUDENT ALERT Agriculture & Allied Degree Programs

National Agriculture Education Accreditation Council (NAEAC) is one of the five Accreditation Councils (ACs) commissioned by Higher Education Commission (HEC) to accredit agriculture & allied degree programs across the country.

The HEI's offering agriculture & allied degree programs must have to register with NAEAC. A list of registered/accredited HEI's/DAI's can be seen on the given link.

<http://naeac.org/EvaluatedPrograms>
