

Quality Assurance and Accreditation Awareness Seminar at Hazara University, Mansehra

Organization and conduct of awareness seminars for the stakeholders is an integral part of the activities of the National Agriculture Education Accreditation Council (NAEAC). The objective of the activity is to create awareness among the stakeholders and sensitize them regarding the significance of accreditation of degree awarding programs. During 2015-16, NAEAC held four quality assurance and accreditation awareness seminars at Punjab and KPK. The last awareness seminar was delivered in Hazara University, Mansehar on May 10, 2016.

Awareness seminar at Hazara University, Mansehra was planned on the invitation of Chairman Department of Agriculture. More than 100 participants Including faculty members and students of the agriculture discipline attended the seminar. The Secretary, NAEAC presented a short overview of National Agriculture Education Accreditation Council (NAEAC) including mandate and scope of work. He also highlighted the ingredients of accreditation process, roster of program evaluators and standardization of various criteria and procedures to ensure transparent, neutral, unbiased and fair process besides accreditation outcomes and benefits. Seminar presentation followed by a Question-Answer session.
