

Second Round of Evaluation and Accreditation Visit of AIC of NAEAC to Govt. College University, Faisalabad

The Accreditation Inspection Committee (AIC) of NAEAC/HEC visited Institute of Home and Food Sciences, Govt. College University, Faisalabad on February 25, 2020. The main objective of the visit was to conduct a peer review of Food Science & Technology degree programs of Institute of Home and Food Sciences. The subject expert/program evaluator was senior professor and Chairperson, NAEAC was the team leader. The HOD along with faculty members gave detailed presentation on the faculty, curriculum, infrastructure, resources, and facilities available with the Institute. They also pointed out major strengths and shortcomings of their degree programs. The review committee also received feedback from undergraduate and graduate students.

The AIC also visited infrastructure and learning resources including labs, library, classrooms and faculty offices etc. They also visited experimental farm used for graduate research activities.

The AIC have a meeting with the Vice Chancellor/ Director Institute and shared their views and discussed highlights and findings of the visit.
